

PLEDGE STEP-CHART

Do you find yourself wondering, “How much should I give?”

This step-chart can help you calculate your giving as a percentage of your income. Find your annual income on the left column, then find your monthly gift to the right. What percentage of your income is your monthly pledge? Can you increase your 2024 giving to help our church grow?

Put your LOVE into ACTION!

Sample calculations:

If your annual income is \$40,000, then a **1%** increase in your giving is:

- Around \$7.50 per week
- \$33 per month
- Nearly \$400 per year

If your annual income is \$100,000 then a **5%** increase in your giving is:

- \$77 per week
- \$333 per month
- Almost \$4,000 per year

If your annual income is \$250,000 than a **10%** increase in your giving is:

- \$480 per week
- Around \$2,000 per month
- \$5,750 per year

Your prayerful contribution to the church, in any amount, is essential to help us all thrive.

Our community encompasses a wide range of socioeconomic diversity. Each person and each family has a unique set of circumstances that impact their capacity for giving. If you find yourself in a season of abundance, **we encourage you to consider a meaningful increase of your pledge.** Our 2024 giving goal of \$1,275,000 funds the cost of vibrant worship both online and in-person, innovative faith formation, powerful music, opportunities for connection in community, a commitment to fair and just wages for staff, and a building in the heart of the University District. **All gifts are needed, no matter the size!**
